exceptional contributions to countless projects of distinction in Quinta do Lago, where they have manifested true horticultural artistry, expertly selecting and curating an array of vibrant flora. In addition, the complex features a dedicated padel tennis court, a small pitch & putt area complete with flanking bunkers for golf enthusiasts, a pétanque field, indoor and outdoor fitness facilities, as well as a rejuvenating sauna and Turkish bath. The visionary architecture of the project is attributed to Vasco Vieira (Arqui+), a celebrated Portuguese architect revered for his avant-garde approach in crafting contemporary villas, eco-resorts, and hotels. With an impressive portfolio that spans prestigious locations within Portugal, as well as international destinations like Miami, Dubai, and beyond, Vasco has received numerous accolades both nationally and internationally, and his work has graced the pages of esteemed publications. The selection of Vasco Vieira as the project's architect underpins the development's commitment to exceptionalism, aiming to set it apart as a distinguished landmark within the realm of Algarve real estate.

The project itself embodies a strikingly contemporary design, characterized by expansive glass surfaces, minimalist floor-to-ceiling windows, grand balconies, and expansive indoor and outdoor areas adorned with lavish finishes.
