About the area:

Unlike many other coastal resort towns in Southern Europe, Carvoeiro has been developed sensitively, with no high-rise construction and respect for local architectural heritage. Sports enthusiasts are spoiled for choice with numerous golf courses, a tennis centre and extensive water sports facilities all available in the local area. Amongst the most popular attractions are the rock formations and grottoes of the sandstone cliffs, such as the famous Benagil sea cave. Local restaurants serving fresh grilled fish and seafood specialities, along with fine dining options and international restaurants for all tastes make Carvoeiro an excellent destination for lovers of good food.

Drive times from Carvoeiro:

- 40 minutes from Faro International Airport
- 15 minute drive from Silves with its historic castle
- 10 minute drive from Algarve International school
- 5 minutes from golf courses
